Throughout a student's level II fieldwork experience it can be helpful for both the fieldwork educator and fieldwork student to provide feedback using common language seen in the Fieldwork Performance Evaluation (FWPE).

**The main sections of the FWPE include**

- Fundamentals of Practice
- Basic Tenets
- Evaluation and Screening
- Interventions
- Management of OT Services
- Communication and Professional Behaviors

**Based on the feedback outlined above, my student's strengths mostly align with this section of the FWPE:**
